WorldMark, The Club Guidelines GUIDELINES

356

Plan your vacations – start here.

Gather the family and begin planning, plotting, and anticipating your next vacation. Start by browsing through this directory for ideas and inspirations. Then move on to your owner website, worldmarkbywyndham.com, for details and specifics about the resorts and suites. Finally, book your dates online, or call Vacation Planning. The only thing left to do is get excited.

Make a reservation with your vacation credits.

Every year during your anniversary month, your WorldMark account is refreshed with the full number of vacation credits (credits) you've purchased. You can save your credits for up to two years to extend your vacation time to the following year, or borrow credits from the upcoming year to make a reservation.

The fastest and most convenient way to get your vacation on the books is through worldmarkbywyndham.com. But if you need assistance or have some questions, give your friendly vacation guides a call at 800-457-0103. Just keep these pointers in mind when you make your vacation plans.

- You can make a reservation using vacation credits up to **13 months in advance** — or, when space is available, on the very **same day** that your vacation begins. Of course, it pays to plan ahead to have the best chance of reserving the specific vacation dates, destination, and accommodations you desire.
- You can check in **any day of the week**.

- You can reserve **less than a week** any time in white or blue season, or in red season within 10 months of check-in. (Refer to page 8 for more details about credits and seasons.)
- You can book a **single-night stay** on the weekend unless both Friday and Saturday nights are available, in which case there is a two-night minimum.
- If you want to make a reservation and the resort you want isn't available for those dates, you can enter a **waitlist request**. For more information regarding the waitlist, visit the Owner Guide section of worldmarkbywyndham.com.
- For last-minute reservations — less than 3 months from check-in — check **Go-Now Getaways** for availability.

Make a reservation *without* your vacation credits.

If you're short on credits, or looking to save them, you can still go on a quick getaway or a last-minute escape with Bonus Time, Exotic Bonus Time, Inventory Specials, Monday Madness, and FAX Time. You can even extend an already amazing vacation at WorldMark resorts — all without using your credits.

Bonus Time

You can reserve unused suites at WorldMark resorts, without using credits or housekeeping. Keep these guidelines in mind when using Bonus Time for your reservations:

- You can make Bonus Time reservations 14 days or less in advance. Five days in advance for guests.
- You can book only one Bonus Time reservation at a time.
- Reservations are booked on a space-available basis, from one to four consecutive days, but you can split your stay between two or more resorts.

Exotic Bonus Time

Using Exotic Bonus Time, you can reserve available suites at resorts in Hawaii, Fiji, Mexico (except La Paloma), and the Caribbean. The following guidelines apply for these reservations:

- You can make Exotic Bonus Time reservations 30 days or less in advance for both owners and guests.
- There is no maximum stay per visit and the number of reservations allowed is unlimited, based on availability.

Inventory Specials

Monthly Inventory Specials are just that — special rates at resorts that may have extra suites available. You can book them at Bonus Time rates within a larger booking window. Keep the following in mind when taking advantage of Inventory Specials:

- You can make Inventory Special reservations 60 days or less in advance for both owners and guests.
- The Inventory Special page on worldmarkbywyndham.com is the place to check for current specials and guidelines.

Monday Madness

Monday Madness is a weekly online booking special featuring select resorts, at a per-credit fee. To take advantage of Monday Madness

- You can make a reservation for a maximum of 7 nights, limited to 6 active reservations at a time.
- The Monday Madness page on worldmarkbywyndham.com is updated every Monday with current offers and policies.

FAX Time

FAX Time is a rental program made available by the developer that allows you to rent one-time use credits at a per-credit fee. These are the FAX Time rules and regulations.

- You can book a FAX Time reservation for a maximum of 14 nights, limited to 10% of the total suites at the resort.
- Available at tiered pricing with active reservation limits.
- Unlimited FAX Time is allowed in all seasons.
- For more information on FAX Time policies, visit the Owner Guide section of worldmarkbywyndham.com.

For all of the above non-vacation credit reservations, you pay cash at the time of booking. To calculate your costs, multiply the per-day credit value by the current rate. You'll find the **Current Rates and Fees** list in the Owner Guide section of worldmarkbywyndham.com.

Housekeeping

Required to cover the cost of cleaning your suite after checkout. You are awarded complimentary Housekeeping Services annually. For amounts, fees for additional services, and cancellation policies, see the Club Guidelines on page 363.

Guest Certificates

Required for each reservation you make for a guest. You are awarded complimentary Guest Certificates annually. For amounts, fees for additional certificates, and cancellation policies, see the Club Guidelines on page 362.

Taxes

Some municipalities levy occupancy taxes. The rates vary by state and local taxing authorities, are not determined by WorldMark, The Club, and must be paid at the time of reservation. More information can be found at worldmarkbywyndham.com.

It's all in the details.

The place, the time, the suite size — you've all agreed on the basics and you're ready to reserve. But first a word about how to read and interpret the charts and symbols we use in this directory and on worldmarkbywyndham.com

1. How many credits will you need?

The number of credits required will vary by resort, suite size, season (red, white, or blue), day of the week, and length of stay.

2. How do you know what dates fall into which season?

Within each credit chart you'll find the date ranges for each season. Red (high) season will require the most credits, followed by white (mid) and blue (low) seasons. Just one thing to remember: If you book red season more than 10 months in advance of your arrival, there is a seven-night minimum. However, you can split up those seven nights among several resorts.

Stop and smell the pastries.

Mmmmm, the scent of custard kringle and butter rings wafting through the streets. Danish pastries are only the beginning of your cultural immersion into Little Denmark, a California community with a European personality. Tape your teens pointing at windmills, your little darlings attempting a folk dance, your fashionista squeezing both legs into an oversized wooden clog. Then hop onto a streetcar to see more sites.

Adventure wide in the wild west.

Forget waterparks. Float in a tube on a real river that runs right through the heart of town. In the land of clear mountain air and Western adventures, it's moments like these that bind a family together. In winter, skate hand in hand over a frozen lake. In fall, collect leaves from multicolored trees. And a spring jaunt in a hot air balloon? Best. Vacation. Ever.

Indulgence is optional.

Put the “pomp” into Pompano Beach if you’d like, as this idyllic Floridian hotspot is known for luxury offerings. Chic boutiques, pampering spas, and posh restaurants are all ways to spoil yourselves silly. Simple days of joy on the sun-soaked sand are just as sensational. When you’re ready to shake off the last grains of sand, open a cold one and put your feet up while you watch the yachts float along the Intracoastal below. Lounge at your leisure, then re-energize the team with a taste of the local nightlife.

Love that Florida sunshine, by land or by sea.

Ahh, the freeing feel of riding bikes along the beach. The glory of digging toes into golden sand. The gratitude for grinning kids with palm tree backdrops. You and your surf-loving crew will have happy hearts here under clear blue skies, all with a whiff of coconut-scented lotion. And the onboard options — they're irresistible. Try a gondola along the canals of "The Venice of America," an Intracoastal cruise, or a motorboat charter to check out the mansions.

Classic or cutting edge, there's fun for all.

Children are welcome everywhere in the Theme Park Capital of the World. Foster the warm fuzzies by snapping wide eyes and smiles with storybook characters. Let screams of joy fill your ears while riding thrills big and small. Think Old Florida too, for more traditional times. Walk into history on the Big Island.

Woo-hoo. Morning glory. Start each day with a steaming cup of java brewed from Kona beans grown near the resort – maybe purchased during a plantation tour. That'll fuel you up to take in the Big Island's beauty from dawn til dusk. How about salt-and-pepper sand? You'll find that at Kaloko-Honokohau National Historical Park, along with urchins and turtles (snorkel mask advised), petroglyphs, and ancient temples. It's like a natural classroom.

Magnificent views add to small-town charm.

America the Beautiful. This is it. Gather up the brood and head to the Great Northwest, where a 25-mile lake, carved from glaciers, is the center of action that inevitably ends with an evening around your fireplace. If you're outdoorsy, paddleboard around the water. Feeling chilled? Choose an indoor waterpark. More into scenery? Set out a spread, pop open a beer, and watch the moon rise or the sun set over Lake Coeur d'Alene.

Now this is living history. Native American culture is rich in “The City Different,” and you’ll find it embedded in the architecture, the nearby tribal communities, and the art that’s just about everywhere — in museums, at 250 galleries, even along the colorful streets of Canyon Road. Add in a Spanish-colonial church, stunning views of the Sangre de Cristo Mountains, and the unique cuisine of New Mexico to create your own magical moments.

Wander where wading birds roam.

Inhale the salty sea air wafting from shore and sail straight into a beach frame of mind, Northwestern-style. Start days of joy by wading together through tide pools as herons dip and fly. Ooh and aah in unison at underwater creatures while meandering through the aquarium's subterranean walkways. It's all a prelude to the ultimate local indulgence – digging into a platter of Dungeness crab along the colorful working bayfront.

Together-time never looked so good.

It's all about pretty in the Poconos. Tree-covered mountains. Scenic picnic spots. Historic towns. You can take in the view from your patio, but your clan will clamor to get out and explore. In winter, see snowmen painted by artists. In summer, take in the tunes of an outdoor concert. Waterparks, sledding, 150 lakes — you'll find loads of activities every one of you will love.

Swoon to the strum of the guitar.

You carry handfuls of craft beers through an Eastside cocktail lounge and squeeze through the crowd to find familiar faces near the front of the stage. As you raise your glasses, you exchange a nod with the blues singer crooning into the microphone. Austin's eclectic spirit is magnetic, and it's up to you to decide what's better: the music or the barbecue.

Do as the Germans do.

It doesn't have to be Oktoberfest to say "Prost" — a traditional German toast — in New Braunfels. You'll never run out of things to talk about, especially when it comes to authentic German cuisine at Texas-sized portions. Savor every bite of juicy bratwurst, goulash, and pork schnitzel, then wash it down with a traditional Schwarzbier as you take the party back to your Bavarian-style resort for a sunset photo on your craftsman-wood porch.

The lake sparkles, and so will your days.

Keep an eye out for moose moseying around the lakeshore. The kids will love spotting animals in the wild with you while zooming on a personal watercraft, catching fish through the ice, or watching geese fly overhead. Beautiful Bear Lake, called the "Caribbean of the Rockies" for its stunningly sapphire water, is on the famous Oregon Trail. Retrace the steps of pioneers, settlers, trappers, and the Shoshone, then treat everyone to a local raspberry specialty.

So much to do, all with a mountain backdrop.

A walk-through ice castle filled with princesses and fire breathers. A cowboy poetry meet-up. A bull rider at a rodeo. We're talking over-the-top experiences here that'll keep you all gabbing about this getaway for months. Activities in and near this small town with a Swiss chalet look are exclamation-point friendly. Bonuses: powdery snow, fly fishing, themed tour trains, and all the hiking you can handle.

Canyonlands National Park

Bryce National Park

Utah's National Parks

Set your sights on dark skies, petroglyphs & pictographs, canyons, waterfalls, wildlife & wildflowers, and a petrified forest. Utah's national parks are packed full of nature's wonders.

Bryce Canyon is home to the world's largest concentration of the irregular rock spires known as hoodoos. The formations are otherworldly, especially when they turn pink and red as they're hit by sunlight at various times of the day.

Zion, Utah's first national park, is a high plateau with steep, narrow canyons and soaring sandstone cliffs. The diverse topography, ranging from more than 8,700 feet down to 3,666 feet, encompasses a variety of wildlife habitats, plant ecosystems, and geological formations.

Arches tells a 65 million year old story that continues to evolve. The high concentration of natural stone arches gives the park its name, with more than 2,000 arches among the pinnacles, fins, and other geological formations.

Canyonlands features not only astounding natural rock formations and the remnants of prehistoric cultures, but it's recognized internationally as a Gold-Tier Dark Sky Park.

'Tis the season every season.

Folks flock here for world-class skiing, yet you'll want to see all the amazing attractions beyond the slopes too. Well OK, if it's winter, sleighs, tubes, or snowboards may draw you to stay longer, and that means more chances to warm up with a steamy hot cocoa. You'll adore other seasons also. In summer, spread out a blanket — picnic sandwiches optional — and watch live music at an outdoor amphitheater. And it's always the right season for wandering the lively streets of downtown Park City.

Let the city lights become a distant memory.

The sun slowly melts behind the red sandstone cliffs of Zion National Park as you let your day wash over you like a warm wave. The natural beauty speaks for itself with deep canyons hand-carved by Mother Nature herself. An experience like this with loved ones by your side is enough to make time stand still, and together you'll quickly forget about the schedules and to-do lists back home.

Rise above the ordinary.

Share the basket of a hot air balloon as you float peacefully above the horizon at sunrise. Back on land, you'll all agree the views are just as serene. Wildflowers blanket the valleys during spring while snowflakes cling to your eyelashes as you tear down the powder-white banks in winter. It's a year-round playground where you can feel right at home sprawled out by the fireplace musing over hot cocoa.

Leisurely lake days and vineyards beckon.

A lake, rolling mountains, and no urban enclave to spoil the escapism. You'll find no reason to hurry in Lake Chelan Valley, ever, leaving you time to linger together over a farm-fresh meal or a local wine. Maybe you'll strap on snowshoes in winter, gallery-hop through town in fall, or hang-glide over the water in summer. The sky's the limit.

It feels as if Long Beach was dreamt up from a kitschy collector's imagination. Take a self-guided walking tour of the cranberry museum, or marvel at an alligator man in the oddity museum. Should you walk the coast of the "World's Longest Beach," or decide unanimously that it's much more enchanting to explore together on horseback? Let your thoughts echo off the cascading cliffs, and watch as darting kites become a spectacle of color.

Live life in slo-mo along the Pacific coast.

It's right there in the name of the destination: Ocean. Park. So you know right off that this is a place where together-time comes naturally. Climb a lighthouse at Cape Disappointment where the Columbia River meets the Pacific Ocean. Dig for razor clams. Spot a hundred types of birds. Find family harmony flying kites in the gusty air. These are the things you do side-by-side, smiles as wide as the peninsula.

On a saltwater shore there's more to explore.

You'll arrive prepared to relax, yet there's so much to see that you'll each clamor "Choose mine!" to select the next outing. Do you follow Gramps to the vintage airplane museum or bring your teen to the skate park? Maybe compromise and explore the bunkers at Fort Worden. Then again, Mom might warm to the Victorian architecture, the kids to the ship builders, say. All good. Everyone agrees on a beach walk.

You'll think you're in England.

One lump or two? Victoria retains British charm from colonial times, and what fun to embrace it by sipping tea — pinkies needn't be raised — strolling along manicured gardens, and touring a century-old castle. There's no need to get gussied up, of course. In fact, your most relaxed wandering might involve a waterfront fish 'n' chips snack for you, a fish food treat for the "moocher seals," at Fisherman's Wharf.

Peer under the sea in the scenic Yucatan.

One bite into a fish taco while seated at a palm-shaded table by the calm Caribbean Sea, and you'll be sold. This friendly island is so small you can zip around by "moto," stopping on a whim for unforgettable experiences. No. 1 is snorkeling, even for non-swimmers. Simply step into the warm water with a mask and place your head below the surface to watch a universe of colorful creatures.

Pacific coast days & nights are livelier.

If you crave a wild-and-crazy beach vacation, this is the destination for you. Sure, you can slather on the lotion, watch the surfers ride the waves, and sunbathe for hours. Have some fun with it though. Treat the niños to Mexican candy from a vendor. Parasail along the shore. Delve into a dinner of fried lobster. And if you're looking for nightlife, you've come to the right place. After the sun sets over the ocean, join the parties at the clubs for all-night dancing.

Spice things up.

The glittering turquoise sea and crashing waves take your breath away. Find a protected cove and wade in, then head out to downtown San Jose del Cabo for a low-key date night. You'll sway to the thrum of music as you walk in a close embrace through charming art galleries. Back at your resort, once you paddle up to the swim-up bar and take your first sips of a sweet, fruit-infused beverage, you'll realize this is what tropical dreams are made of.

WorldMark Zihuatanejo

Hide away on the Mexican Riviera.

Lush greenery, tranquil waters, fresh fish, and no high rises. You'll find an absolute escape here, a warm-weather locale where, "Should I swim or snorkel?" is the biggest decision of the day. There's a flip side though. Zihua, as it's nicknamed, is close to bustling Ixtapa, so you can bop over any time you need a high-energy fix. Then return to the oversized hacienda for more surf, sun, and serenity.

Kirra Beach, QLD 4225
Australia
011-61-7-5590-6188

Through a miracle junction of land and sea, Kirra Beach produces the perfect wave.

How perfect? It's been the site of the Billabong Pro Surfing Competition and a place that inspired former world champion surfer Peter Townsend to say, "When I die, I've told them to scatter my ashes at Kirra." You may be more inspired to enjoy the beautiful view and relax. Enjoy days of sun, sand, and swimming, or head for the theme parks and family fun of Coolangatta, just minutes away. The koalas, kangaroos, wallabies, and wombats of the Hinterland are also close.

Live like a Victorian in a heritage-listed estate built in 1878.

Stroll the 44 acres of elegant architecture, manicured grounds, and a tree-lined lakefront before retiring to the lounge or library for a reflective moment and a friendly board game. Return to your own century with a splash in the indoor pool, then head out to Ballarat's thriving gallery scene or the region's excellent wineries. The past is ever-present here, but you can always run over to ultra-modern Melbourne, about an hour and a half's drive away.

Country French looks — and tastes — wonderful.

About midway between Paris and the famed Normandy beaches, this charmer on the banks of the Seine is your French country hideaway. Drive over to medieval Rouen, site of Joan of Arc's martyrdom and home to the soaring gothic cathedral that inspired Monet's series. About an hour and a half to the southeast is the one-and-only City of Lights with its incomparable museums, enviable cuisine, and fashionable shops. About two hours' drive to the west are the D-Day beaches where monuments honoring the WWII soldiers who perished there will leave you with indelible memories.

WorldMark, The Club Guidelines

Whether you're new to WorldMark, The Club or you've been an owner for years, it's always a good idea to understand how your club is regulated for the benefit of all owners. In this section you'll find an overview of club guidelines, procedures, rules, and fees that govern WorldMark, The Club.

WorldMark, The Club Guidelines

These WorldMark, The Club Guidelines amended and restated as of January 1, 2022, are the official Club operating Rules. They have been established for the benefit of all Owners of WorldMark, The Club (Club) Vacation Credits, pursuant to and subject to the WorldMark Vacation Ownership Program (Program) as described and established in the Declaration and Bylaws of the Club. If there is any conflict between the Declaration or Bylaws, and the Guidelines; the Declaration, the Bylaws and then the Guidelines shall control, in that order.

Section A — Definitions

1. Owner, WorldMark Owner, Club Owner or Owner of Record shall mean any person who has signed a Vacation Owner Agreement for the purchase of WorldMark, The Club Vacation Credits. An Owner's level of ownership and usage rights in The Club is determined by the number of vacation credits purchased. Being a family member of an Owner, or living in the same residence as an Owner, does not result in any Owner rights, and any usage by such persons shall be done under the Guest Guidelines. All other terms in these Guidelines shall have the same meaning as set forth in the Declaration, unless the context otherwise requires.

2. Guest is any person who is not an Owner and who is allowed overnight use of Club Property through the rights of an Owner, as may be allowed under these Club Guidelines.

3. The Club Directory is a separate printed document constituting part of these Guidelines. This document includes the schedule of how many Vacation Credits are required for staying in each Club Unit on a daily, weekly, and seasonal basis, and a schedule of the seasons assigned to each

Unit. Red is for the high-demand period, White is for the mid-demand period and Blue is for the low-demand period.

In addition to the Vacation Credit information for the Club units, this document also includes other information regarding developer programs, affiliate resorts, and other benefits that are not part of the Club and which are available to eligible WorldMark owners. The inclusion of such information in the Club Directory does not imply that such programs, affiliate resorts, or benefits constitute part of the Club.

4. Premier Vacation Credits are Vacation Credits that have a perpetual life and that include the use of Bonus Time. The usage value of these Vacation Credits renews annually on the first day of the anniversary month of their purchase. These Vacation Credits are transferable, subject to the terms of the Vacation Owner Agreement.

5. Standard Vacation Credits are Vacation Credits that have a 40-year life and that do not include the use of Bonus Time. The usage value of these Vacation Credits renews annually on the first day of the anniversary month of their purchase. These Vacation Credits are transferable, subject to the terms of the Vacation Owner Agreement.

6. Weekend Only Reservation is a two-night, Friday and Saturday night reservation. Any other combination of nights shall not be considered a Weekend Only reservation.

7. Vacation Credits Owned are the total number of Vacation Credits purchased, which are renewed annually.

8. Vacation Credits Available are the total number of Vacation Credits available for use in an Owner's account, whether saved or borrowed. All other terms in these Guidelines shall have the same meaning as set forth in the Declaration, unless the context otherwise requires.

9. Assigned Vacation Credits are a one-time assignment by gift, rental, or otherwise of Vacation Credit use rights by the Owner of Record to another Owner, and do not constitute a transfer of ownership. An Owner may assign or receive by gift, rental, or otherwise up to two times his or her annual Vacation Credit allocation each Anniversary year. Vacation Credits borrowed from future years and Housekeeping services are not eligible for assignment.

10. Grouped Reservations consist of two or more consecutive **Red Season** reservations (segments) linked together so that the grouped segments comply with the seven-night minimum stay requirement. Grouped Reservation bookings can be facilitated to create one continuous vacation, booked for and occupied by the same guest(s). The individual segments can be at a single, or at multiple resorts. The first day of all segments must be within 13 months of check-in at the time of reservation. Additional segments can continue to be added to a Grouped Reservation until the total of all segments exceeds 14 nights, at which point no more segments can be added. Any further nights need to be booked as a separate reservation in compliance with the Guidelines. There is a 48 hour waiting period for any changes or modifications to a confirmed Grouped Reservation not in compliance with the Guidelines on the original date of booking.

Section B — Types Of Reservations

1. Vacation Credit Reservations. Owners have the right to reserve time for occupancy in Club Units to the extent allowed by the use of an Owner's Vacation Credits, subject to these Guidelines and the availability of Units.

2. Bonus Time Reservations. Owners of Premier Vacation Credits have the right to reserve time for occupancy in the Club Units, subject to these Guidelines and the availability of Units by prepayment of the Bonus Time use fee.

Section C — Reservations

1. Reservation Booking Order. Requests for reservations will be honored on a first-come, first-served basis by calling 800-457-0103 during regular Club business hours, which are currently Monday through Friday, 6 a.m. to 7 p.m., Saturday and Sunday, 6 a.m. to 5 p.m. Reservations may also be made online daily between the hours of 6 a.m.

and 11:30 p.m. at worldmarkbywyndham.com. All hours stated are PT.

2. Reservation Booking Method. It is recommended that all reservations be booked online or by telephone. Reservation requests by letter or email will be accepted, but the Club will not be responsible for lost documents or timeliness of bookings.

3. Qualification for Making a Reservation. Reservations may be made only by an Owner of Record, and only by using one's own Vacation Credit account. The Club will not be responsible for conflicting reservations and cancellations of co-owners of Vacation Credits. If such conflict occurs, the Club reserves the right to suspend any usage of the Owner account until the Owners have resolved their conflict in writing to the Club, signed by both Owners.

4. Qualification for Using a Club Unit. Only the Owners and Guests of Owners can use a Club Unit.

No one under the age of 18 will be allowed to use a Club Unit without parental supervision.

5. Time Frame for Making a Reservation. Vacation Credit reservations may be made up to 13 months before the first day of the reserved period, and may extend beyond 13 months if the stay is continuous and uninterrupted. Bonus Time reservations may be made up to 14 days before the first day of the reservation period. When a Bonus Time reservation is for a Guest to occupy the Unit without the presence of the Owner for any days of the reserved period, then the reservation must not be made until five (5) days before the first day of the reserved period.

6. Unit Assignment. Units are assigned based on the time of reservation, not on the time of check-in. Assignments are determined by the computer system so that stay opportunities for all Owners are maximized. At some Resorts, Units with special features, such as views, may be ranked in the computer so that earlier reservations have priority of assignment. Any priority of assignment that might be given for special features is based on the time of the reservation, not on the time of check-in.

7. Last 48 Hour Exemptions. To provide Owners with maximum opportunity for usage and to minimize vacancies, any Club Units that have not been reserved at least 48 hours (two days) before use shall be open for reservations, which will be exempt from the following Guidelines:

- Section C, No. 8(4): Length of Stay Requirements
- Section C, No. 10: Number of Vacation Credit Reservations
- Section C, No. 11: Number of Bonus Time Reservations

8. Length of Stay Requirements.

- (1) There is a minimum seven-consecutive night stay, which may be split between two or more Resorts, defined as a Grouped Reservation, required during Red Season for any reservation booked more than 10 months before use. Unless otherwise required, there is no minimum number of nights in each reservation segment.
- (2) A seven-night minimum stay that has been split between resorts will result in additional housekeeping fees at subsequent resorts.
- (3) Cancellation of a single segment of a Grouped Reservation will result in the cancellation of the entire reservation.
- (4) There is a two-night minimum stay required on Weekend Only reservations when both Friday and Saturday night are available.
- (5) There is a four-night maximum stay for each Bonus Time reservation, though a Bonus Time reservation may be combined with a Vacation Credit reservation, providing all Guidelines for making a Bonus Time reservation are met.
- (6) Reservations may not exceed thirty (30) consecutive nights.

Exception to the Red Season Length of Stay Requirement.

In the event that seven consecutive nights are not available in the unit size requested, a reservation may be made for all the remaining nights in the respective unit size more than 10 months in advance of the use date, provided that all the available nights are booked. In the event that a single reservation segment includes dates in Red Season and White or Blue Season, a reservation may be confirmed for less than seven nights if equal or more nights are in White or Blue Season.

9. Borrowing Vacation Credits. An Owner may, in their current anniversary year, use Vacation Credits from their following anniversary year.

10. Number of Vacation Credit Reservations. An Owner may have and use as many Vacation Credit reservations as may be possible with the number of Vacation Credits the Owner has available; provided that an Owner may have only one Weekend Only reservation at a time for each block of 5,000 Vacation Credits Owned.

11. Number of Bonus Time Reservations. An Owner may use as many Bonus Time reservations as possible within the following limitations. An Owner may have only one Bonus Time reservation until the reservation has been completed. If the Bonus Time vacation plan is to stay at more than one Club Resort, then the Owner may make the number of reservations needed, provided the combination of these reservations is for consecutive nights, and that the Bonus Time does not exceed four (4) nights.

12. Guest Use. Any non-owner use, whether by rental or gift, is considered Guest usage by the definition given above in Section A.2. The Owner making the reservation is responsible for Guest behavior, charges resulting from Guest usage and Guest compliance with all applicable Club Guidelines and Restrictions. The Owner does not have to be present during Guest usage of Vacation Credits. However, the Owner does have to be present during the Guest usage of Bonus Time, unless the reservation is made no earlier than five (5) days before the first day of the reserved period. An Owner may charge a Guest for use of Vacation Credits in whatever amount the Owner chooses, but may charge Guests for Bonus Time usage in only the actual cost of Bonus Time. Owners shall not charge any fee in cases where rental is prohibited by local law or restriction, or in cases that the Club Board determines are not in the best interest of the Club.

13. Guest Certificate Fee. A Guest Certificate (“Guest Certificate”) is required for each confirmed reservation by the Owner for a Guest. Guest Certificates will be awarded each Anniversary Year based on the number of Vacation Credits owned. Guest Certificates will not carry over and will expire at the end of the Owner’s Anniversary Year. Guest Certificates may not be borrowed from future years and are nontransferable and nonrefundable. Modifying

a Guest name on a confirmed reservation requires the use of an additional Guest Certificate. Once an Owner’s complimentary Guest Certificates have been used, additional Guest usage will be subject to the Guest Certificate fee per reservation booked during each owner’s Anniversary Year. The amount of the fee shall be determined by the Club Board and is currently \$99 when booked online and \$129 when booked by telephone. Annual awards are calculated by taking

the number of Vacation Credits owned divided by 10,000 and rounding up to the nearest whole number. For example, an Owner that owns between 5,000 and 10,000 Vacation Credits will be awarded one Guest Certificate each Anniversary Year and an Owner that owns between 11,000 and 20,000 Vacation Credits will be awarded two Guest Certificates each Anniversary Year. Please see the Guest Certificate Schedule below for additional information.

14. Multiple Reservations. An Owner may book multiple reservations for the same time period. Each Owner on the account is allowed to check into a reservation for the specific unit they will occupy. Any further reservations will require a guest name, and such guest’s name must be added to

the reservation system within 48 hours (two days) of the reservation(s) being made. When booking within 14 days of check-in, a guest name must be added at the time of reservation. If a guest name is not added to any additional reservation(s), the reservation(s) shall be subject to cancellation and

the corresponding credits shall be forfeited in accordance with the cancellation policy. The guest name cannot be modified after check-in and the guest listed on the reservation must be present at check-in and occupy the unit.

15. Day Use Prohibited. Only those persons who are occupying Units may use Resort facilities, except that occupants may have daytime Guests within the occupancy limit allowed for the occupant’s Unit.

16. Bonus Time Fee. Use of Bonus Time shall be subject to the prepayment of a Bonus Time fee instead of any Vacation Credit or housekeeping charge. The amount of the fee shall be determined by the Club Board, and is currently \$.078 per Vacation Credit that would be required under a Vacation Credit reservation, with a minimum of \$80.00 USD for each night reserved.

17. Annual Housekeeping Fee. Vacation Credit use will be allowed one free housekeeping service each anniversary year for each block of 10,000 Vacation Credits owned. The free housekeeping service will occur at the end of the first continuous Vacation Credit stay at one resort.

18. Additional Housekeeping Fees. Further Vacation Credit use in the same anniversary year or any use of Assigned Vacation Credits, shall be subject to a housekeeping fee per stay as may be determined by the Club Board. Housekeeping service occurs at the end of each continuous Vacation Credit stay at one resort.

19. Optional Housekeeping Service and Fees. During any stay, an Owner may obtain optional housekeeping services, at the noted fees, by contacting the front desk at the resort.

21. Confirmation. All reservations must be confirmed by the Club by email, and a reservation number assigned before it is valid. This reservation confirmation must be presented at the time of

check-in at the Resort. The confirmation will state the number of Vacation Credits charged for the reservation. If a reservation confirmation is not promptly received, the Owner should call the Vacation Planning Center. The Owner is responsible to verify correctness of the reservation upon receipt of the confirmation and immediately notify the Club Vacation Planning Center of any errors. The Club does not guarantee any reservation other than that confirmed on the confirmation.

Further, you will not receive voting materials nor be allowed to vote on Club matters if, as of the record date, you are 60 days or more delinquent in the payment of any amount owed to the Club.

24. Unused Vacation Credits Carry Over. Vacation Credits that are unused at the end of an Anniversary Year will automatically carry over for use in the following year, and will expire at the end of that Year. The Club may reserve seven (7) nights and days, not necessarily consecutive, during each calendar year as a maintenance period for each Unit during which period the Club shall maintain, refurbish, and repair the Unit as necessary.
